

SERVICE AGREEMENT

Early Access & Pioneer Usage Rights

01. ACCESS MODEL

KRATOS is currently in its Pioneer Launch Phase. Users are granted unrestricted access to the full suite of studio tools and high-resolution templates without subscription requirements or account-based friction for testing and professional use.

02. OWNERSHIP RIGHTS

Your Output: You retain 100% ownership, commercial, and perpetual rights to every PDF you generate via the KRATOS engine. **Our Engine:** The source code, Atomic Print logic, and unique UI/UX components are the exclusive property of Avince Developers. Unauthorized redistribution or cloning of the system architecture is strictly prohibited.

03. PROVISION OF SERVICE

KRATOS is provided as a high-performance tool "as-is." While engineered for precision, Avince Developers is not liable for financial loss or legal complications resulting from document errors. Users must review all final PDFs for accuracy before distribution. Use of KRATOS for fraudulent documentation is strictly prohibited.
